Copies of such constitutions were sent out for local study purposes. This Committee hereby asks that each church send to the chairman several copies of its own constitution for the benefit of other churches studying these matters.

The Committee also had printed copies of the model ARTICLE of DISSOLUTION which is now available free to local churches as an appropriate amendment-proposal to be placed in the local church constitution in order to meet recent United States Internal Revenue Service requirements pertaining to donor-tax exemption privileges.

REPORT OF THE MISSIONARY COMMITTEE 1965

The Missionary Committee has sent to the Member Churches information about those missionaries who would be home on furlough this year. Other information with regard to those missionaries in need of financial support was also given in the same letter.

...Reports

In an attempt to help those churches that were just beginning a missionary program or conference, a letter was sent out with suggestions on how to promote missions in an autonomous church.

Whereas there have been no requests for or about Missionary speakers the general trend on missionary interest in our Churches is definitely upward, as the following figures clearly show:

Total Missionary giving in 1964	\$549,807.00
1965	\$618,791.00

Of the 54 Churches reporting 29 had increased their support. 8 remained stationary and 9 lowered their total. New Member Churches reporting for the first time totalled 8 with a combined missionary giving of \$14,295.00.

The Missionary emphasis will once again be noted through the literature on hand at this Conference.

Paul Mills
Hector Goodall, Chairman

REPORT OF THE CHURCH EXTENSION AND EVANGELISM COMMITTEE

The Church Extension and Evangelism Committee has sought to keep Conference Churches aware of the needs and progress of newly formed Churches. The means employed were newsletters, articles in the "Congregational Christian" and a set of slides with script about newly formed churches which was made available to interested churches.

Churches have been encouraged to conduct evangelistic series, in addition to the evangelistic emphasis of Sunday Services.

Churches or individuals desiring information concerning evangelism or procedure in establishing a church should feel free to contact members of this committee.

Due to increasing costs for land and construction, our established churches must recognize the need of young churches and come to their aid. Means are being explored to make it possible for churches to call for funds at the time needed and know that help will be forthcoming.

Though new churches can not be immediately established in every community, many of our churches could and should establish branch Sunday Schools. This committee has also appealed to our churches to evangelize children through open air work and week day Bible clubs in homes or public buildings and institutions. Aggressive evangelism is needed now.

Edwin Dahmer

Massachusetts, and appropriate additional information is being placed on file there. Many copies of the publication "Congregational Beacon" have been received from the Rev. J.A. Stueckle, and properly filed for reference in our own historical files. You are urged to send in any additional items of historic interest to the CCCC. Churches are urged to send to the CCCC Historian information concerning their history and important current events being commemorated in their Church life, such as bulletins about anniversaries, ordinations, etc.

Communications have been received requesting information about the Conservative Congregational Christian Conference and replies have been sent.

REPORT OF THE ANNIVERSARY COMMITTEE FOR THE 150th ANNIVERSARY CELEBRATION OF THE AMERICAN BIBLE SOCIETY

The work of this committee is not so much to work in the interest of the American Bible Society as it is to promote the extension of God's Word, written into the tongue of every tribe and nation.

We should like to point out that the ministry of the American Bible Society in the United States is for the most part self-sustaining. Your gifts to the Society are used to support missions around the world. Translations made by the Wycliffe Bible Translators and others must be printed and then placed in the hands of the various missionaries. This means that the United Bible Societies, of which the American Bible Society is a major part, are serving the churches in a most vital way. In the face of increasing demands for the Scriptures, there are those who are becoming more and more indifferent to the needs and requirements of the Bible Societies. The CCCC and other evangelical groups must therefore undertake an increased burden of support, to the glory of our Lord.

The year 1966 will mark the 150th Anniversary of the American Bible Society and during this time 35mm color filmstrips will be rented for a nominal fee from the committee. All filmstrips listed in the American Bible Society catalogue will be available after November 1, 1965, from 103 Academy Street, Plymouth, Penna., 18651.

Your committee recommends that every congregation observe Universal Bible Sunday, December 12, 1965. Also gifts sent directly to the American Bible Society should be identified as coming from a member church of the CCCC.

FRATERNAL RELATIONS COMMITTEE REPORT

Our committee seeks to relate the Conservative Congregational Christian Churches to like-minded fellowships nationally and internationally.

...Reports

NATIONALLY

We have exchanged information and correspondence with evangelical Congregational bodies in our own country. Among these is the Fellowship of Independent Evangelical Churches. It is to be noted that Rev. Arthur Childs, member of our Conference, whose church is a member of the National Association of Congregational Churches, was asked by their World Christian Relations Commission to represent them at our meeting.

INTERNATIONALLY

The International Evangelical Congregational Union is still in its infancy. The Congregational Board of Evangelism of Australia, the Union of Evangelical Congregational Churches of Brazil and our own Conference are the constituting organizations. The principles for union were published in The Congregational Christian, summer issue of 1963. As a result of our fellowship the Rev. Leslie VanVarst, our Recording Secretary, was contacted and called to pastor two churches in Australia. He and his family leave soon.

From abroad we correspond with the Congregational Evangelical Revival Fellowship of England and also with the Westminster Fellowship within the Presbyterian Church of New Zealand.

RECOMMENDATIONS:

1. That Canada be regarded within the geographical area of our Conference and Canadian Churches be welcomed into our fellowship.
2. That our Conference send warm Christian greetings to the Congregational Evangelical Revival Fellowship through the Rev. Barry Jones when he visits London next week. That our Conference Recording Secretary send warm Christian greetings to other like-minded Congregational bodies with whom we have been corresponding.
3. That we encourage further development of the International Evangelical Congregational Union.
4. That we ratify the membership of the Congregational Board of Evangelism of Australia into the International Evangelical Congregational Union.
5. That since the former director of the Board of Evangelism in Australia, the Rev. Paul Toms, is now serving at Park Street Church, Boston, the new director, the Rev. K. David Mack, be sent by our Missionary-at-Large, best wishes and assurance of our prayers in his new responsibilities.

AUDITING COMMITTEE REPORT

We the undersigned have audited the financial accounts of the Conservative Congregational Christian Conference and find them in order and as reported by our treasurer between the dates of September 1, 1964, and September 1, 1965.

We find the financial records of the Conservative Congregational Christian Conference in excellent condition.

FINANCE COMMITTEE

We are approaching the close of another fiscal year—a year of added growth. Our income for the first five months was excellent but beginning with the month of February, it dropped off a bit.

In our last April letter we endeavored to show that increasing support is needed to implement the forward push of the CCCC, and more specifically, to balance the budget. Our income for June through August dropped off somewhat; nevertheless, it is very encouraging to note that our annual income has about doubled between the years of 1961 and 1962 and 1964 and 1965. However, before we close down the curtain on this year's results, let us pause long enough to glance back a moment. It has been a good year; our income has gone up and a major part of our needs has been met. We are deeply grateful for the part our member churches and friends of the Conference have taken.

A special report of this Committee, with regard to policies to be pursued in connection with monies received by Conference employees and representatives, and other suggestions, was given at the mid-winter board meeting for further action at their meeting in Scotia, N.Y.

Let us rejoice in the privilege God has given us to share in His work. Each one of us can be like the little engine and say: "I think it can, I think it can, I think it can" and it will be done.

As we come to the close of this fiscal year our prayer is that the support might keep coming in regularly, that there be no slackening of the pace and no hindrance to the work as we enter a new year.

John H. Stewart, Chairman

CHRISTIAN EDUCATION COMMITTEE

The Christian Education Committee has been working along two lines this past year: First an effort was made to produce a workable system whereby our churches could share their Christian Education materials. This still remains as a project for 1966. Secondly, Rev. Argetsinger has continued to work along the line of preparing a series of Bible Doctrine lessons, to be made available to our churches.

Rev. Cecil Argetsinger
Rev. Avery Wetzig
Rev. William Bankester

REPORT OF THE COMMITTEE ON THE MINISTRY

The committee has been involved through this past year in continued study of the problem of retirement funds for members and a study of health plans for both the minister and his family. An article in The Congregational Christian concerning The Min-

...Reports

ister and Retirement Plans urged ministers and churches to take effective action in this area on a joint or individual basis. Correspondence resulting from the article gives encouragement that more churches are becoming concerned in the matter of providing to some degree at least a retirement plan for their minister. It is apparent that such action by the churches is necessary and since many forms of retirement plans are available perhaps this committee should concern itself in reminding churches and ministers of the effectiveness and desirability of initiating such plans within the local church.

It is noted that all such plans involving premiums, assessments, etc., cannot be initiated or controlled by the conference; and upon the local church and the minister falls the initiative and control. It is to be hoped that a number of our churches will report on any such plans as are now in effect.

Raymond Biddle, Chairman

WOMENS ACTIVITIES COMMITTEE

Our committee was unable to meet during the year, so transacted our business by way of mail. We have over 100 packets ready to be given to the churches. Those churches not receiving their copies during the conference will have a packet mailed to them. Included in our packets this year are suggested missionary projects and literature. Christian Educational programs and also a book of programs sent to us by the American Bible Society.

A special thanks to those of Calvary Church at Lima, Ohio, who helped in the final assembling of the packets.

Mrs. Paul Halbert
Mrs. Raymond Biddle

REPORT OF THE RESOLUTIONS COMMITTEE

BE IT RESOLVED, that we the officers and delegates of the Conservative Congregational Christian Conference, express our heartfelt gratitude to the Pastor, members, and leaders of the East Glenville Community Church of Scotia, New York, for the splendid efficiency and gracious spirit by which they provided for our needs and comfort during our 17th Annual Meeting; and that we give thanks to the Holy Spirit who has endowed these our brothers with the gifts of liberality and hospitality, praying that they may experience a mighty increase in every good work in their ministry for Christ in the days ahead.

BE IT RESOLVED that we express our deepest sympathy to the family and church of John H. Boris upon the occasion of his unexpected departure to be with Christ, praying that they may know the comfort of the Lord Jesus, being confident of Jesus' promise: "I will receive you unto myself that where I am, there ye may be also." John 14:3.

BE IT RESOLVED that we express the thanks of the conference to Rev. Leslie Van Vorst for his work as recording Secretary, in view of his soon departure with his family for service in Australia.

PLACEMENT COMMITTEE REPORT

October 1964 to October 1965

The Placement Committee reports that this has been a busy year. Upwards of 100 letters have been received and over 125 letters have gone out.

Thirty churches have written to seek help in obtaining pastors and twenty-six pastors have used its services. Six churches have received pastors through the work of the Committee and of course we would report that a corresponding number of pastors have obtained churches through the Committee. This number only included those churches that have reported back to the Committee and the number might be much larger when all the facts are in.

It might be added that a Congregational Church from Hawaii and one from Venezuela, have each contacted the Committee and asked for help in finding a pastor. It has been a busy and rewarding year.

CONSTITUTION AND BY-LAWS OF THE CONSERVATIVE CONGREGATIONAL

CHRISTIAN CONFERENCE 1965

PREAMBLE

In gratitude to Almighty God for the gift of salvation through our Lord Jesus Christ; and Believing that the task of the Church of Jesus Christ is twofold, i.e., the evangelization of the world and the edification of the saints; and Believing further, that there is a definite need among congregationally governed churches of historic Biblical persuasion for an association to assist them in the performance of said task; We, therefore, as autonomous churches declaring our unqualified belief in the entire Word of God written, humbly invoking the guidance of the Holy Spirit, have covenanted together to form such an association.

ARTICLE I -- Name

The name of this organization shall be: THE CONSERVATIVE CONGREGATIONAL CHRISTIAN CONFERENCE.

...Constitution and By-laws

ARTICLE II -- Purpose

1. To deepen and extend the fellowship of our churches.
2. To encourage a steadfast, Biblical witness by our churches.
3. To facilitate cooperation and counsel among our churches with regard to evangelism, the spiritual life, Christian education, stewardship, missions, church extension, Christian action, women's and men's fellowships, youth activities, the pastoral ministry, and other related concerns.
4. To preserve and promote the Scriptural principles of the autonomy of the local church and the freedom of the believer in Christ.

ARTICLE III -- Statement of Faith

1. We believe the Bible, consisting of the Old and New Testaments, to be the only inspired, the inerrant, infallible, authoritative Word of God.
2. We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Ghost.
3. We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.
5. We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.
6. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.
7. We believe in the spiritual unity of all believers in Christ.

ARTICLE IV -- Statement of Polity

1. We believe that Jesus Christ is the Head of His body, the Church universal, and of each local church.
2. We believe that each local church is in itself a complete church, and therefore autonomous and possesses all the rights and responsibilities of the church by the Holy Spirit as set forth in the Holy Scriptures.
3. We believe that Jesus Christ exercises His authority in each local church by the Holy Spirit and through the Holy Scriptures.
4. We believe that each local church is amenable only to Jesus Christ, and not to any association, conference, council, synod or any other ecclesiastical body.
5. We believe that it is proper and beneficial for each local church to seek fellowship and council of other such local churches.

ARTICLE V -- Membership

1. Membership in this Conference shall be attained by the voluntary association of churches, ministers or individual laymen who find themselves in full accord with the Statement of Faith and Statement of Polity (Articles III, IV) of this constitution, and with the general principles of this Conference as set forth in the constitution and by-laws. Conference membership, whether of laymen, church or minister, may be granted upon application to and approval by the designated Conference officials, subject to review by the ensuing annual meeting of the Conference. Ministerial membership shall be accorded on the basis of the approved ministerial standards of the Conference, as set forth in the by-laws of this constitution. Churches are not necessarily barred from membership because of other affiliations so long as they adhere to the Statement of Faith and the Statement of Polity and the workings of the Conference. Individual lay membership may be held only by members of Congregational Christian Churches which are not member churches of this Conference, or by members of other congrega-

Constitution and By-laws...

tionally governed local churches which also are not member churches of this Conference. In the event that a non-member church joins this Conference, the individual lay membership of any of its members ceases.

2. A church, minister or individual lay member may withdraw from membership in this conference at any time by its or his own action, and will be removed from the membership roll when written notice of such action is given to the Chairman of the Credentials Committee.

3. In the event that there is received a written statement that a member church, minister or individual lay member has departed from the standards of faith and practice set forth in this Constitution and By-laws, the Committee on Credentials and Placement shall make a careful investigation of the matter. If the charge is justified, the Committee shall report the matter to the Conference for appropriate action. The Committee on Credentials and Placement shall file their report in writing with the Recording Secretary of this Conference and the party accused at least thirty days prior to the annual or special meeting at which the report is to be considered. The right to appeal to the Conference by the party accused is pre-supposed.

ARTICLE VI -- Associated Relationships

Regional fellowships or associations of Congregational Christian Churches which are in sympathy with the Statements of Faith and Polity of this Conference may hold one of three possible relationships to the Conference.

(I) A REGION IN AFFILIATION. A regional fellowship or association of Congregational Christian Churches, and/or of congregationally governed churches, which is in agreement with the Statements of Faith and Polity of this Conference and with the general principles outlined in the Constitution and By-laws, may be granted the status of an affiliated region upon application to and approval by the Credentials and Placement Committee, which action will be subject to review by the ensuing Annual Meeting of the Conference. Churches and ministers of this Conference within the said region which are not members of the region at the time of the approval of the application will have it brought to their attention by the Missionary-at-large of this Conference that the region in which they reside is now a Region in Affiliation, of which they are not members, and that, if they desire to be members of the region, they must apply for membership in the region in accordance with the Constitution and By-laws of the region. All member churches and ministers of the region which are not members of this Conference will have it brought to their attention by the scribe of the region that the region to which they belong is now a Region in Affiliation with this Conference of which they are not members, and that, if they desire to be members of this Conference, they must apply for membership in accordance with the Constitution and By-Laws of this Conference. Application to be, and acceptance as, a Region in Affiliation confers neither regional nor Conference membership upon anyone who does not apply for membership in the manner prescribed by the Constitution and By-Laws of the organization in question. A regional group making application to become an affiliate region will submit with their application a list of all members. Upon acceptance as an affiliate region, all future applications for membership in the regional group or in the Conference from ministers and churches from within the region will be subject to approval by the Credentials Committee of both, and subject to review by the ensuing annual meeting or special meetings of both. In the event that either of the Credentials Committees disapproves, membership shall be denied in both organizations. The approval of both Credentials Committees shall be in hand before membership in either organization may be granted. In the event that an annual or special meeting of either organization does act unfavorably upon an application already approved by the Credentials Committee of both, the membership in question shall be revoked in both organizations automatically thereby. From the time of its

...Constitution and By-laws

acceptance as an affiliate region, all new member churches and ministers will become members of both this Conference and the regional group, or neither. Such a region will be represented in the Conference business meetings by the delegates of their member churches which also are members of this Conference, and by their ministers who are also members of this Conference. Churches and ministers presently members of the region, but not this Conference, will not be made members of this Conference without their consent.

(2) A REGION IN SYMPATHY. A regional fellowship or association of Congregational Christian Churches and/or of congregationally governed churches, which is in agreement with the Statements of Faith and Polity of this Conference, but which does not wish to become an affiliate region of this Conference may pass a resolution or amendment expressing their sympathy with the beliefs, practices and program of this Conference. Such a region will be considered a sympathetic region. This means that communication and cooperation will be possible between the two.

(3) A REGION IN RECOGNITION. A regional fellowship or association of Congregational Churches and/or of congregationally governed churches, which is in agreement with the Statements of Faith and Polity of this Conference, but which takes no official action to be identified with this Conference, may be recognized by this Conference as a regional group of conservative Congregational Christian Churches. This means that this Conference will not promote a competitive group within that region and will offer such assistance and advice as may be deemed advisable.
